

Requirements for the PC Set UP

- Operative system: Windows 7 or higher
- Browser: We recommend Google Chrome and Firefox with updated versions. Newer versions of Explorer/ Edge will also work.
- Recommendations for the PC:
 - Processor: 1 GHZ or higher
 - RAM 1 GB or more
 - 32 or 64 Bit compatible
 - 32 Mb Graphics Memory
 - Minimum 20GB Hard disk
 - Minimum 1 USB 2.0 or USB 3.0 port
 - Screen resolution - 1024 x 768
- Requirements for Internet connection:
 - The connection needs to be stable for the period to upload the images to our server.
 - A minimum of 500 kb/s capacity, but we recommend it to be MB/s and not Kb/s.
 - Low capacity for uploading to our server require the customer to wait for this and the consultation will take longer time.
